FOREWORD

This is the tenth biennial edition of the Directory of State and County Officials of North Carolina compiled by the present Legislative Reference Librarian. It was first issued in 1919, in response to a wide-spread demand for a concise publication containing the names and addresses of all State and county officials, heads of State administrative departments, boards and commissions, and names of State institutions and their heads. The daily demand for this information has well justified its continued publication.

HENRY M. LONDON,
Legislative Reference Librarian.
